Sarah & David

“Joseph worked with Gintas in Mace Photos for our wedding last week and was absolutely outstanding I could not fault them both. They were so nice and friendly and made us both feel so relaxed. We had received roughly 10 photos even before we had finished dinner and then almost 800 less than a week later. I cannot wait to receive the full video footage! The quality was amazing also. I highly recommend both lads”

Natalie & Sean

“Wow!!! Joseph did an exceptional job on our wedding photos. My husband and I could not be more happy with our decision to hire him. He achieved the perfect mix of candid photos but also checked off everything we asked for. He is also such a gentle, kind person... We felt totally at ease all day and so did my bridal party that morning. A true gentleman and talented wedding photographer. Thank you so much Joseph”

Roweana & Ian

“Joe did our wedding video for us. It was absolutely beautiful, capturing our wedding day perfectly. He was such a pleasure to have present on the day, weaving in and out of my bridal party seamlessly in the morning and throughout the day. We will treasure our video forever, I have only watched it 200 times already!”

Donal & Linda

“We are so happy we chose to go with Joe for our wedding photography. He fit right into our wedding theme with the chilled laid back look. Joe is the kind of guy you feel you've known your whole life. We were not ones to like posing but Joe made us feel so comfortable. He even gave us an unexpected drive to our wedding venue! The quality of the photos are something else. He clearly has a talent. We received so many compliments about Joe also, how he blended in on the day like a stealthy ninja with his calm demeanor. He caught so many great moments of our day, thanks Joe!”
